

John Muller Chair
SF Bay Regional Water Board
1515 Clay St Ste 1400
Oakland, CA 94612

Dear Mr Muller:

The SF Bay is filled with trash.
It destroys recreation, impacts water quality, and kills marine wildlife.
The Board's proposal permit would require cities & countries to meet a cleanup level of 100 pieces of trash for every 100 feet in a trash "hot spot" - this does not go far enough. Our precious Bay deserves the highest level of protection - zero trash.

Sincerely,

Jahsiyah Ault
